(With Changes Approved January 13, 2022)

Section 1. Name

The name of this organization shall be Cleveland Heights Democrats.

Section 2. Purpose

The purpose of this organization shall be to provide a means by which residents of Cleveland Heights can organize to promote and develop the highest principles of the Democratic Party, to improve the administration of government, and to work for the good of all citizens. This organization shall endorse and support for public office all candidates whose election will, in the judgment of the membership, best advance the Purpose. In pursuing its Purpose, this organization may also cooperate with the National, State, and County Democratic Committees, and pursue other programs of benefit to the community.

Section 3. Amendment and Restatement. This Constitution is the amended and restated version of the Constitution as previously amended effective as of January 1, 2019. This amended and restated version is effective as of January 1, 2022.

ARTICLE II – MEMBERSHIP

Section 1. Qualifications

Any person who is a resident of Cleveland Heights; agrees with the purpose of the organization as set forth in Article I, Section 2; and is a registered Democrat may become a member of Cleveland Heights Democrats upon the payment of one year's dues, and shall be deemed in good standing until December 31 of the year for which dues are paid.

“Registered Democrat” means that the person voted a Democratic ballot in the last primary election in which the person voted.

Any person who has qualified for membership pursuant to the requirements of this Section 1, and is current in payment of dues, is “in good standing”. Payment of dues must be made by a member for himself or herself; provided that a paying member may make payment for a member of his or her Immediate Family who is also a member of that paying member's household.

“Immediate Family” includes the spouse of the payment member and the parents, children or grandchildren of the paying member or spouse. A member of a paying member's household is a person who is a resident of the same residence as the paying member.

Section 2. Voting Members

Any member who is in good standing and on the official membership roster for thirty (30) or more consecutive days prior to a vote may vote on any issues, resolutions, endorsements and candidacies placed before meetings of the organization.

Any renewing member, who was in good standing for the previous year, shall remain in good standing for the current year provided that dues for the current year are timely paid or until their membership is suspended pursuant to Section 1 of the By-Laws, and further may vote on any issues, resolutions, endorsements and candidacies placed before meetings of the organization, so long as renewal dues are paid to the Treasurer prior to the respective vote which occurs during the year of suspension.

If, however, a member's membership has been suspended pursuant to Section 1 of the By-Laws, and has not been renewed during the year in which the suspension is effective, then such member shall no longer be considered a "renewing member". Rather, such member rather must rejoin and be in good standing for thirty (30) or more consecutive days prior to a vote.

Any person who qualifies to vote as set forth in Section 2 is called a "Voting Member".

Section 3. Affiliate Members

Any Registered Democrat who lives outside Cleveland Heights and agrees with the Purpose may become an Affiliate Member of the organization upon meeting all the requirements of a member in good standing. At membership meetings, a quorum shall consist of ten percent (10 %) of all Voting Members present, either in person at an in person meeting; electronically, if the meeting is held by remote means (“Remote Meeting”) or either in person or electronically if the meeting is a Hybrid Meeting. A “Hybrid Meeting” means there is an option for Voting Members to either attend in person or remotely. If a meeting is held as a Remote Meeting or a Hybrid Meeting, the organization shall conduct the meeting so that those attending other than in person may hear the proceedings and have the opportunity to speak or otherwise communicate comments during the meeting, but a video transmission is not required.

Section 2. Frequency

There shall be at least four (4) regular meetings of the organization each year (referred to as “General Meetings”) called by a meeting notice issued by the Board, one (1) of which General Meetings shall be the Election Meeting held in October/November; provided however, that such Election Meeting may be postponed or rescheduled to a later time if the Board determines that the circumstances so require. In addition, there shall be General Meetings at such other times as may be considered appropriate by the Board, and meetings for specified purposes (“Special Meetings”) when requested by ten (10) percent of the Voting Members. (The term “membership meeting” refers to General Meetings, Election Meetings and Special Meetings.)

Section 3. Notice

Notice of any membership meeting shall be sent to each Voting Member at least two (2) weeks in advance of such meeting. Notice of meetings, including membership meetings,

special meetings, and election meetings, may be given by regular U.S. mail or by electronic delivery. Electronic delivery shall mean e-mail, facsimile, social media or other electronic or other means reasonably calculated to give notice of the meeting. Any delivery by U.S. Mail or electronically (other than by social media) shall be effective if addressed to the address provided by a member upon joining the organization or otherwise given by the member to the Secretary. As to any matter voted upon, passage or election, as the case may be, shall be by majority vote by Voting Members present at a duly called and notified meeting, unless the Constitution or By-laws call for a different vote to prevail. If the election of Officers and at Large Members with terms expiring or any endorsement vote is conducted at an in person meeting, voting shall be by voice vote for unopposed candidates and by secret written ballot for candidates with opposition. If the election or endorsement vote is conducted at a Remote Meeting or a Hybrid Meeting, then instead of a written ballot, voting may be conducted by remote means (i.e., via use of electronic survey tool). If voting is held remotely, and a secret ballot otherwise would be used, the organization shall use reasonable efforts to afford Voting Members present the opportunity for a secret ballot, but is not guaranteeing a secret ballot if a Voting Member is not using the Remote Meeting or Hybrid Meeting method recommended by the organization. (For instance, a Voting Member electing to attend by telephone may not have the option for a secret ballot but will be afforded the opportunity to vote via email, text message or other means, so long as the Voting Member is present and votes during the meeting and the identity of the Voter Member can be verified during the meeting (a "Remote Voter").)

In any case where this Constitution or the By-Laws requires a minimum vote for electing officers or trustees, approving endorsements or any other matter, passage shall require the stated minimum or more votes; fewer votes than the required minimum shall not be sufficient. For the avoidance of doubt, there shall be no "rounding up" of fractional vote totals. Further, in any case of a vote other than a voice vote conducted pursuant to the Constitution or By-Laws, the vote totals and percentages shall be announced at the meeting.

ARTICLE VIII – PARLIAMENTARY AUTHORITY

Robert's Rules of Order Revised shall be the Parliamentary authority for this organization in all cases in which they are applicable, so long as such Rules are not inconsistent with this Constitution.

The Constitution may be amended at any membership meeting of the organization by two-thirds (2/3) of the Voting Members present and voting, provided that notice of the proposed amendment has been sent to all Voting Members at least four (4) weeks in advance of the meeting in the same manner as permitted for the notice of a membership meeting.

Section 2.

A Constitution and By-laws Review Committee shall be constituted at least every five (5) years to review the Constitution and recommend amendments, if any are deemed necessary.

ARTICLE X – TABULATION OF VOTES

In any case in which this Constitution or the By-Laws requires a minimum vote for electing officers or trustees, endorsements or any other matter, passage shall require the stated minimum or more votes; fewer votes than the required minimum shall not be sufficient. For the avoidance of doubt, there shall be no “rounding up” of fractional vote totals. Further, in any case of a vote other than a voice vote conducted pursuant to the Constitution or By-Laws, the vote totals and percentages shall be announced during the meeting, promptly after the vote is completed.

BY-LAWS

The Election Meeting shall be held in October/November of each year, except for good cause shown. At the Election Meeting, if it is an in person meeting, the Nominating Committee shall conduct the elections, distribute and collect the ballots, count the votes cast, announce the results thereof, determine ties, and establish such election procedures as are not provided for herein and are not inconsistent with any provision of the Constitution and these By-laws. At the Election Meeting, the Nominating Committee shall first present the names of all candidates to the members present. After acceptance or rejection of the Nominating Committee Report, nominations shall be recognized from the floor for any office.

A ballot shall then be cast for election of the officers. The one (1) candidate receiving the largest number of votes on the ballot for each office shall be elected. Section 6. Endorsements

The Board may call a membership meeting of the Club to endorse candidates, issues, or to remain neutral regarding either. Any such endorsement meeting shall occur after the

candidate's or issue's filing deadline. (Candidates or issues meeting the filing deadline are referred to below as "qualified"). Notice of said endorsement meeting shall be made to all Voting Members in good standing and to each qualified Democratic candidate and to representatives of each qualified issue to be considered for endorsement at least two (2) weeks in advance of the meeting in the same manner as permitted for the notice of a membership meeting.

Endorsements for elected public office and issues shall be made if approved by a 60% majority of Voting Members present and voting at the endorsement meeting, whether the meeting is conducted in person, is a Remote Meeting or is a Hybrid Meeting. Voting shall be conducted in accordance with Section 4 of Article VII of the Constitution. Regardless of whether the voting is conducted at an in person meeting or a Hybrid Meeting using paper ballots to any extent, a minimum of three (3) members of the Board shall be responsible for confirming the vote count. The Screening Committee may require the candidate to sign an agreement to comply with those conditions during the candidate's term in the office for which the endorsement is given.

Endorsements for more than one candidate of the same office type may occur on a single ballot ("Multi-opening Race"), permitting each Voting Member present to vote for not more than the total number of open seats for such office. (For instance, this applies when 4 city council seats are open and there are more than 4 candidates.) In such a case, any candidate receiving votes totaling at least 60 percent of Voting Members present and voting shall receive the endorsement of the Club.

If endorsement is being considered in a Multi-opening Race, and the number of endorsed candidates is fewer than the number of open offices after the first ballot, immediately thereafter there shall be a single run-off election between any unendorsed candidates for said office, permitting each Voting Member to vote for not more than the total number of seats for such office that remain without an endorsement.
